Quem somos e por que confiar na Dual Alumínio?

Fundada em **2019**, a **Dual Alumínio** nasceu para ser **parceira técnica** de quem transforma perfis em projetos que duram. Somos uma **loja especializada** em **perfis de alumínio e acessórios para esquadrias**, com foco total nas necessidades de serralheiros e vidraceiros — e atendimento também a **construtoras e indústrias** que utilizam alumínio em seus produtos.

Aqui, você encontra **estoque completo e organizado, orientação técnica** que fala a sua língua e **agilidade** do orçamento à separação do material. Trabalhamos com marcas líderes do mercado, como **ASA Alumínio** (extrusão para construção civil e aplicações industriais), **Udinese** (referência nacional em componentes para esquadrias), além de **Simac** (roldanas e soluções inovadoras) e **3F** (fechaduras com robustez e variedade de aplicações). Isso significa **padrão de qualidade, padronização de medidas e compatibilidade** para você executar com segurança.

Nossos diferenciais, na prática:

- **Atendimento técnico próximo** — indicação de linhas, acessórios e combinações que evitam retrabalho.
- **Curadoria de marcas premium** — selecionamos fabricantes reconhecidos pelo mercado para garantir durabilidade e desempenho.
- **Disponibilidade e organização** — barras de 6 metros e acessórios essenciais sempre à mão, facilitando o seu fluxo de produção.
- **Exclusividade local em linhas-chave** — para você oferecer projetos diferenciados na região.
- **Parceria de verdade** — a Dual Alumínio não entrega só produto: agrega conhecimento, agilidade e confiança do primeiro contato à pós-venda.

Atendemos desde **oficinas independentes** até **empresas de médio e grande porte** em diversos segmentos que utilizam alumínio: esquadrias residenciais e comerciais, fachadas, mobiliário, equipamentos e outras aplicações técnicas. Quem compra com a gente projeta **qualidade** — e entrega **valor percebido** ao cliente final.

Dual Alumínio. Aqui, **qualidade é base, precisão é rotina e parceria é compromisso.**

Nota ao consumidor/profissional: Perfis, componentes, acessórios e códigos estão sujeitos a alteração sem prévio aviso.
